### Welcome Message from the School Director

*Dear Students, Parents, and Staff,*  
As we step into the exciting journey of 2025, I would like to take a moment to reflect on the remarkable achievements of 2024. It was a year filled with growth, resilience, and collaboration. We saw our students excel not only academically but also in their personal and social development. Our commitment to fostering a supportive and inclusive environment helped us achieve significant milestones in every area of school life.

In 2024, we celebrated numerous academic successes, witnessed incredible performances in sports and arts, and strengthened our community outreach through impactful service projects. Our dedicated staff, alongside the enthusiasm and hard work of our students, ensured that we continued to uphold the values of excellence and integrity that define our school.

As we embark on 2025, we are more motivated than ever to build on these achievements. This year, we will continue to prioritize academic excellence, creative exploration, and the development of leadership skills, while ensuring that our school remains a place where each student can thrive and feel valued.

I am excited for what lies ahead, and I am confident that together, we will make 2025 a year of even greater accomplishments and shared successes. Let's embrace this new chapter with enthusiasm and determination!

**Welcome to 2025!!!**

## About Aveon Schools Diani

Aveon Junior Secondary School is a day and boarding junior school in Kwale county, Kinondo location near Msambweni law courts. Aveon school is a modern school with a state of the art facilities. Our classes are fitted with smart boards and Wi-Fi networks for ICT integrated learning. We have a well equipped ICT room with each learner having their own computer for effective learning. The science labs are well equipped and have smart boards for laboratory simulation. There is a well equipped workshop room for each learning area. Separate dormitories for both girls and boys with teachers staff quarters within for effective service provision. We have enough space for all sports activities.

## Vision

To provide high quality education in a child friendly environment for moral, spiritual and academic excellence.

## Mission

To offer an ideal school environment that contributes to the holistic development of students in curricular and co-curricular activities.

## School Motto

Nothing But The Best.

## Core Values

- Professionalism
- Team work
- Integrity
- Commitment
- Innovation
- Discipline
- Excellence

## Nothing But The Best

At Aveon School, we are driven by a set of core values that serve as the foundation of our educational philosophy. These values are not just words; they are the guiding principles that shape every aspect of our institution and the individuals who pass through its doors. We believe that by instilling these values in our students, we are nurturing the leaders of tomorrow, who will thrive in a complex and interconnected world.

We believe that the world is our classroom. Our institution is a beacon of excellence in education, fostering a global perspective in our students. We are dedicated to providing a holistic and nurturing environment that empowers young minds to thrive academically, socially, and personally.

# Why Choose Us

- State-of-the-art facilities
- Highly qualified faculty
- Diverse community
- Character development
- Extracurricular opportunities
- Global network

# Our Facilities

Modern sports facilities

ICT Center & library

Spacious Classrooms fitted with smart boards

Science Laboratory

Modern dormitories & Staff quarter

Modern Kitchen & Dining hall

# ACADEMIC HIGHLIGHTS~1

## CBC RETOOLING WORKSHOP FOR TEACHERS

In preparation for 2024, we held a two day workshop facilitated by seasoned trainers(TOT) who covered:

- Learner centered pedagogies/ teaching methods which are key in CBC.
- Peer teaching and critiquing lessons ~Assessment methods at Junior school.
- Mentorship and career guidance.
- ICT integration
- Designing lessons which integrate core values and competencies required in CBC.

## SCHOOL OPENING DAY

At Aveon Schools, we believe that time is precious, which is why we wasted no time in kicking off light learning activities right from our opening days. Our students are immediately engaged in group discussions, revisiting their projects across different lessons, and consulting with teachers to deepen their understanding. This dynamic approach ensures that every moment is used effectively, fostering collaboration, critical thinking, and continuous learning from day one.

## AVEON SCHOOLS DIANI MAIDEN PARENTS DAY

We held our maiden Parents' Day on Saturday 10/02/2024 whose main objective was to equip parents with insights on the curriculum, teaching methods, learning goals and our school culture. The knowledge shared aimed at enabling them to reinforce key concepts and skills at home, fostering a consistent and supportive learning experience.

The meeting brought together the three key stakeholders (parents, teachers and the learners) to form a strong and United school community with a common vision.

# ACADEMIC HIGHLIGHTS~2

## ACADEMIC VISIT TO NEIGHBORING FARM

As part of our commitment to providing practical, hands-on learning experiences, a group of students recently visited a neighboring farm to explore key aspects of agricultural sustainability, including animal husbandry, beekeeping, crop production, and biogas production. This visit allowed students to gain invaluable insights into modern farming practices and innovative methods for sustainable agriculture.

This visit is an essential part of the students' academic journey, as it bridges the gap between theory and practice, fostering critical thinking, problem-solving, and real-world application of their classroom knowledge. The experience empowers students to think creatively about addressing future challenges in agriculture and environmental conservation, positioning them as informed and responsible leaders in their fields.

## ACADEMIC TRIVIA SPIN GAME

At Aveon Schools Diani we frequently use Trivia Spin game which is an engaging and enjoyable learning exercise that offers numerous educational benefits. It helps improve memory, keeps students' minds sharp and alert, and enhances their problem-solving skills. By testing their knowledge in a fun, interactive format, students expand their knowledge base, reinforcing what they've learned in the classroom.

In addition to its cognitive advantages, the game also plays a significant role in reducing stress and anxiety levels, providing a break from traditional study routines. Trivia Spin encourages social interaction and teamwork, making it a great activity for building camaraderie among students while still fostering a competitive yet supportive environment. It's a powerful tool that blends learning with enjoyment, contributing positively to students' overall academic experience.

## AGRICULTURE & NUTRITION PRACTICAL

Engaging students in Agriculture and Nutrition Practical allows them to take an active role in preparing their farms and planting crops and vegetables of their choice. This hands-on approach not only teaches them the fundamental principles of agriculture but also emphasizes the importance of sustainable farming methods and nutrition. By participating in every step of the process, students gain a deeper understanding of food production, making informed choices that empower them to adopt healthier eating habits and explore future opportunities in agriculture. Through this practical experience, we aim to equip them with the skills and knowledge to make positive contributions to their communities and the environment.

# ACADEMIC HIGHLIGHTS~3

## MOMBASA REGIONAL BOOK FAIR

In June 2024 we attended the Mombasa Regional Book Fair which involved bringing together different publishers such as Story Moja publishers, One planet, Oxford, Access, Moran and KLB to showcase their books, teaching and learning aids which can be adopted for teaching. Some of the activities included to sample the rationalized textbooks; sensitizing learner on friendly approaches when handling CBC content, mental work mathematics and storytelling sessions.

Our students also enjoyed several fun activities such as speed reading, storytelling, dancing competition, singing competition and lastly, horse racing. We are happy that learners and teachers were able to acquire some excellent resources, have fun and interact with several top schools in Mombasa. We look forward to more academic exposure events this year.

## LEARNERS' CBC ASSESSMENT

In 2024 we were dedicated to ensuring our learners are assessed throughout out the term and the learner's excellence is assessed by all-round potential and not the ability to remember exactly what was taught in class.

Our instructors were able to use the assessment reports to evaluate learner's performance at the end of every term. The learners are rated depending on the outcome of the assessments done.

## DIY COCOA FACE MASK MAGIC!

During grade 7 Integrated Science Practical our students blended cocoa powder, honey, sour milk cream, and egg white to create a nourishing face mask that's as good for your skin as it is for your soul! Benefits:

1. Cocoa Powder: Rich in antioxidants, it helps combat signs of aging and promotes a radiant glow.
2. Honey: A natural humectant, honey locks in moisture and has antibacterial properties.
3. Sour Milk Cream: Packed with lactic acid, it gently exfoliates and brightens the skin.
4. Egg White: Tightens and tones, giving your skin a firm, youthful look.

# ACADEMIC HIGHLIGHTS~4

## AVEON ROBOTICS

Aveon Schools Diani is empowering the future by harnessing robotics, artificial intelligence, coding and programming using virtual and physical robots.

We have a main focus on:

- Knowledge Goal which helps in understanding the principles of robotics and automation.
- Ability Goal through development of hands-on skills in operating and programming machines.
- Emotional Attitude and Values to foster a mindset of innovation, collaboration, and problem-solving.
- Learning Focus to explore real-world applications and ethical considerations of robotics.
- Learning Difficulties to overcome challenges in complex systems and critical thinking.

## NUTRITION PRACTICALS

Our students had a wonderful experience in agriculture and nutrition hands-on activities which enhanced their cooking skills at the same time encouraging team work and collaboration.

Grade 8 prepared a balanced diet for different ages groups i.e children of 0-4yrs, teenagers and the old above 60yrs. The menu consisted of ugali, stewed fish, vegetables and fruits.

Grade 7 roasted potatoes, grilled beef and prepared vegetables by steaming, blanching, stir frying and parboiling.

## CREATIVE ARTS LESSON PRACTICAL

In Grade 8, we dove into the vibrant world of fabric decoration during our practical Creative Arts lesson! The objective was to explore and master two exciting techniques: tie and dye, followed by marbling. Our students rolled up their sleeves and got creative, first applying the tie and dye method to craft stunning patterns on their fabrics. The anticipation grew as they transformed plain materials into colorful masterpieces. Next, they added an extra layer of artistry with the marbling technique, introducing swirling designs that brought their fabrics to life. The results were nothing short of spectacular! Each piece reflected their unique style and creativity, showcasing the beauty of self-expression through art.

# CO-CURRICULAR ACTIVITIES~1

## TEAM BUILDING ACTIVITIES

On Wednesday and Friday every week students engage in different games with an aim of improving their social skills, encouraging creative thinking, reducing stress and anxiety, boosting self-esteem and encourages problem solving, establishing healthy sleep cycles and mood stabilization, and ultimately contributing to students' academic success.

## GUIDANCE & COUNSELLING

We hold guidance and counseling sessions every Tuesday. The program is dedicated to support and maintain academic standards and set goals for academic success, developing skills to improve organization skills, study habits and time management skills. It also enhances improved student behavior and social development.

## JUDO TRAINING

We hold Judo sessions on Friday and Saturday where athletes engage in comprehensive full-body exercises, with an emphasis on performing movements in a standing position. These sessions are designed to develop key physical attributes essential for Judo, such as grip strength, pulling strength, power, and explosiveness. By focusing on these fundamental skills, our players enhance their performance and build the strength and agility required for successful competition. These sessions are integral to preparing Judo athletes for the dynamic and demanding nature of the sport.

# CO-CURRICULAR ACTIVITIES~2

## SWIMMING LESSONS

We regularly conduct swimming practicals for our learners, helping them develop essential swimming skills such as the stride jump, compact jump, front float, front glide, standing after float, back float, back glide, mushroom float, jelly float, star float, and front crawl. These sessions not only build water confidence and improve technique but also serve as valuable preparation for future swimming competitions, ensuring our learners are equipped for success both in training and in competitive settings.

Swimming is an important life skill that promotes physical fitness, coordination, and overall well-being. It is a full-body exercise that enhances strength, endurance, and flexibility while also fostering discipline, focus, and perseverance. Moreover, swimming teaches essential water safety skills, empowering learners to stay safe in and around water, making it an invaluable skill for both personal development and potential athletic achievement.

## FOOTBALL FRIENDLY MATCH

Our boys soccer team had the exciting opportunity to face off against the U15 team from Diani Soccer Academy. The atmosphere was electric as both teams showcased their skills and sportsmanship on the field. After a hard-fought match filled with intense moments and incredible teamwork, the game ended in a thrilling 2-2 draw.

This friendly match not only allowed our players to test their abilities against a talented opponent but also fostered camaraderie and mutual respect between the teams. It was a perfect way to wrap up the season, reminding us that the spirit of the game goes beyond just the scoreboard. Here's to more matches, more learning, and the friendships built through soccer!

## TERMLY CLOSURE GUIDANCE & COUNSELLING

Reflecting on an enriching guidance and counselling session we held for our learners as we gear up for the long holiday!

In today's fast-paced world, learning goes far beyond textbooks and exams. We focused on essential life skills that will empower our students to navigate their futures confidently.

- 1. Career Guidance:** Our learners explored various career paths, helping them understand their strengths and passions. It's crucial they know that their interests can shape their future.
- 2. Safe and Responsible Use of Phones:** In an age dominated by technology, we discussed the importance of digital citizenship. We emphasized how to stay safe online, respect privacy, and maintain a healthy balance between screen time and real-life interactions.
- 3. Utilizing Leisure Time Wisely:** With a long holiday ahead, we shared ideas on how to make the most of free time. From pursuing hobbies to volunteering and engaging in physical activities, our goal is to encourage students to explore new interests that foster personal growth and well-being.

Learning is not always academic, it's about equipping our young minds with the tools they need to thrive in every aspect of life. We hope this session inspired them to embrace the holiday with curiosity and purpose!

# CO-CURRICULAR ACTIVITIES~3

## MR & MISS AVEON SCHOOLS

In April 2024 we hosted a memorable Cultural Day at Aveon School, where we came together to celebrate cultural diversity, unity, love, and teamwork. The event was a beautiful reflection of our commitment to the Competency-Based Curriculum (CBC), which nurtures not only academic skills but also essential values and attitudes that shape well-rounded individuals. Students had the opportunity to showcase their heritage, talents, and creativity, reinforcing the importance of embracing our differences and working together as one community.

The highlight of the day was the crowning of Mr. and Miss Aveon School, who were recognized for embodying the core values of leadership, respect, and teamwork throughout the celebrations. Their dedication and positive spirit made them true role models for their peers. This event was a powerful reminder of the importance of cultural appreciation and unity, while also providing an opportunity to nurture the holistic development of our students.

## BASIC FIRST AID TRAINING

The Red Cross Club members of Aveon School had the opportunity to attend a comprehensive Basic First Aid training at the Red Cross offices in Diani. During this session, experienced facilitators guided the students through a wide range of critical topics, including incident management, CPR, asthma attacks, choking, circulatory disorders, fainting, shock, both internal and external bleeding, nosebleeds, snake bites, burns, soft tissue injuries, and fractures.

The learners were highly engaged throughout the training, actively participating by asking and answering questions, identifying the signs and symptoms of various injuries and accidents, and volunteering to demonstrate essential first aid procedures. They learned to observe key precautions while administering first aid to different casualties, ensuring they understood both the technical and safety aspects of providing care. This hands-on experience equipped them with valuable life-saving skills and reinforced the importance of being prepared to respond confidently in emergency situations.

## JUNIOR SECONDARY GAMES

On 6th July 2024 we were privileged to host Junior Secondary School games bringing on board six schools to participate in different ball games. We are happy they affirmed that sports grounds were of good standards and very conducive.

Games have numerous benefits apart from an academic focus, they place more emphasis on building interpersonal and social skills of the students such as collaboration and teamwork, relationship building, conflict management, communication and leadership skills.

# Our Teaching Staff

At Aveon Junior Secondary School, our highly qualified and motivated TSC-certified teachers are committed to delivering quality education through innovative teaching techniques, including SMARTBOARDS, to make learning engaging and interactive. Our curriculum, spanning mathematics, science, technical subjects, humanities, and languages, is designed to inspire intellectual growth, while our emphasis on co-curricular activities helps students develop their talents and skills. Together, we nurture well-rounded individuals ready for success both academically and personally.

## The School Support Staff

Meet Aveon School's dedicated support staff, well-trained and motivated to excel in their roles. Our support team plays a crucial role in fostering a safe, positive, and effective learning environment, contributing significantly to the quality of education. By reducing the non-teaching workload on our educators, they enable teachers to focus more on delivering comprehensive support for students' academic growth and curriculum activities.

## AVEON SCHOOLS DEPARTMENTS

### Academic Department

The academic department has played a pivotal role in the success of several key academic initiatives, including morning preps, remedial classes, night preps, the Spin Wheel competition, and the Math RATs held throughout the week. In addition, we have maintained Saturday morning preps and remedial classes, along with Sunday afternoon and night preps. These structured study sessions are carefully planned and facilitated, resulting in significant academic progress and impressive milestones achieved by our learners. The consistency and support provided during these sessions have greatly contributed to the academic excellence of our students.

#### IEP Programme

Through the IEP (Individualized Education Programme), learners were given an additional 6 hours of focused instruction each week, which included revisiting grade seven content as well as materials from previous grades. This extra time for reinforcement and targeted support led to a marked improvement in student performance within the programme, ensuring that all learners received the individualized attention they needed to succeed.

#### Online Classes

In November, we introduced online classes, scheduled for two hours per day, Monday through Friday. These classes offered learners an opportunity to continue their studies remotely while also being assessed through in-class activities and extended learning assignments. This initiative provided flexibility for students, ensuring they remained engaged in their academic work even outside the traditional classroom setting.

Overall, these carefully structured schedules throughout the week have enabled students to settle into their learning routines more quickly, giving them both a sense of direction and a solid foundation for academic success.

# AVEON SCHOOLS DEPARTMENTS

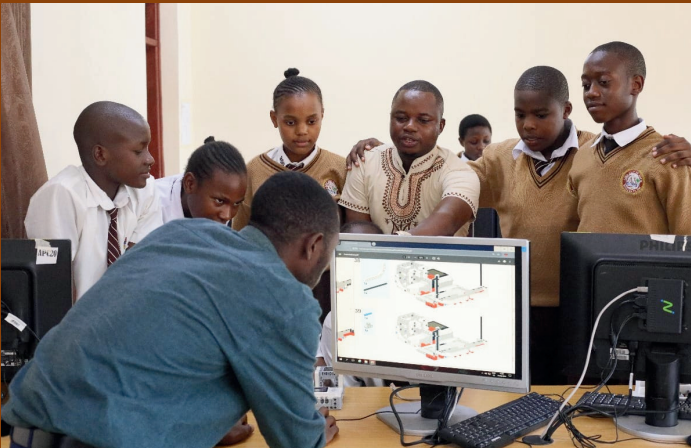

## AVEON SCHOOLS GUIDANCE & COUNSELLING DEPARTMENT

The Guidance and Counseling Department offers valuable support to students, addressing both academic and non-academic concerns. The program includes weekly group counseling sessions every Thursday from 3:20 pm to 5:00 pm, where a range of topics are covered to support the holistic development of students. In addition, individual counseling sessions are held every Wednesday from 1:00 pm to 2:00 pm, providing a safe space for students to discuss personal issues and receive tailored support.

These counseling activities have had a positive impact on students, as evidenced by noticeable improvements in their behavior and overall well-being. The key benefits include:

- Providing essential information and guidance on various aspects of life.
- Helping students make informed and wise decisions.
- Assisting students in adapting to changes or new environments.
- Fostering self-sufficiency and independence.
- Supporting students in maximizing their capabilities and talents.
- Encouraging both personal and professional development.

## ICT Department

The ICT Department at Aveon Junior School has made significant strides in 2024, implementing various initiatives to enhance both academic and co-curricular development for our learners. Below is an overview of our key activities:

### 1. Facilitating Digital Literacy Through Email Creation

- We assisted learners in setting up personal email accounts for academic purposes, enabling them to send and receive assignments effectively.
- These email accounts were also instrumental in students' participation in the Wavumbuzi Entrepreneurship Program and in the voting process for student council elections, ensuring students developed essential communication skills and digital proficiency.

### 2. Engaging Learners in the Wavumbuzi Program

- The ICT Department played a key role in supporting students as they engaged with the Wavumbuzi Program, an innovative, gamified platform designed to develop entrepreneurship skills.
- Students answered questions on a variety of topics such as climate change, construction, trade, artificial intelligence, and mechatronics. Through this interactive learning process, they earned points and gained valuable insights into the world of entrepreneurship.

### 3. Promoting Robotics and Digital Skills

- The department facilitated robotics training using accessible visual programming tools like Scratch and virtual robots, providing students with hands-on experience in programming and robotics.
- Learners in the Robotics Club were guided in building physical robots, while general sessions on digital literacy were held for non-club members. These sessions covered essential topics such as online safety, security measures, and the practical applications of ICT in today's world.

Through these initiatives, the ICT Department has significantly contributed to developing students' digital skills, preparing them for the challenges and opportunities of the future.

## Games and Sports Department

Aveon Junior School offers a wide range of sports disciplines, held three times a week, that is, on Wednesdays, Fridays, and Saturdays. Our sports program includes both indoor and outdoor games to cater to diverse interests and talents. Outdoor sports such as football, volleyball, netball, handball, and basketball provide opportunities for teamwork and physical activity. Indoor games like chess and snakes and ladders offer mental challenges and strategic thinking. Additionally, Aveon Junior School also offers martial arts training in judo, further enriching our students' physical development. Beyond sports, the department also trains students in music and drama, helping them explore their creative talents.

The department plays a vital role in identifying and nurturing students' talents to their fullest potential. Ball game practices are conducted by our dedicated teachers, with external trainers involved where necessary to ensure professional guidance and skill development. Participation in games and sports offers numerous benefits to learners, including the development of problem-solving skills and critical thinking. These activities help students enhance their ability to think analytically and solve challenges both in school and in their communities. Furthermore, sports contribute to students' physical fitness, making them more active and energetic both inside and outside the classroom. They also foster improved communication skills and discipline, qualities that are essential for personal growth and success.

## Boarding Department

Aveon Junior School offers separate boarding facilities for boys and girls, each designed to create a supportive and organized environment that fosters independence and personal growth. The boarding program runs throughout the week, from Monday to Sunday, with distinct routines for weekdays and weekends. This structured program helps students stay organized and focused, contributing to their overall development.

From Monday to Saturday, the daily schedule includes morning preps supervised by the teacher on duty for that particular day. The morning prep runs from 5:30 am to 6:15 am, allowing students time for personal study. Afterward, from 6:15 am to 6:30 am, students enjoy breakfast before starting their regular school activities. In the evening, there is another session of individual prep from 6:45 pm to 9:30 pm, overseen by two teachers to ensure focused study time. On weekends, the routine varies slightly: students typically watch a designated TV channel in the afternoon or participate in sports practice, and on Sundays, both Muslim and Christian students attend prayer services. Afterward, they have time to wash their clothes and maintain good personal hygiene. Optional laundry services are also available.

The boarding experience at Aveon Junior School provides invaluable life skills, helping students become more independent, responsible, and self-driven. It also promotes better time management, preparing learners for future academic and personal challenges.

# SPECIAL EVENTS & INITIATIVES

## Elimu Tree Planting Day

On May 17th, 2024, Aveon Schools proudly participated in the Elimu Tree Planting Day, a meaningful event dedicated to environmental conservation and climate action. As part of our ongoing commitment to sustainability, we took the opportunity to care for the tree seedlings we had planted earlier during the rainy season. This initiative not only reflects our dedication to nurturing the environment but also serves as a hands-on learning experience for our students, teaching them the importance of preserving nature for future generations.

Environmental conservation and climate action are central to Aveon Schools' values, and events like the Elimu Tree Planting Day play a crucial role in instilling a sense of responsibility and environmental stewardship in our students. Through such activities, we aim to inspire a generation that is proactive in protecting the planet while understanding the vital role trees play in combating climate change. Our efforts are part of a broader mission to integrate sustainability into our curriculum and school culture, fostering a deep appreciation for nature among our students.

April  
2024

## Amani(Peace) Clubs Competition

On July 20, 2024, Aveon Junior Secondary School had the honor of hosting the Amani (Peace) Clubs County Competitions for secondary schools across Kwale County. The event brought together young peace ambassadors, fostering collaboration, dialogue, and a shared commitment to promoting peace and unity in our communities. It was an inspiring day filled with insightful discussions, creative presentations, and a collective effort to spread the message of peace among the youth. We are proud to have been part of this important initiative that empowers students to lead the way in building a more harmonious and inclusive society.

In July 2024, Aveon School had the privilege of hosting a neighboring school for an exciting Science Practical Session in our state-of-the-art science laboratory. This collaboration provided students with a unique opportunity to engage in hands-on learning, enhancing their practical skills while fostering a deeper conceptual understanding of scientific processes. The integrated science practicals are designed to bridge the gap between theory and practice, combining the minds-on approach with the hands-on approach to encourage critical thinking, problem-solving, and experimentation. It was an enriching experience that allowed students to develop essential scientific skills while sparking their curiosity and passion for discovery.

# STUDENTS LEADERS

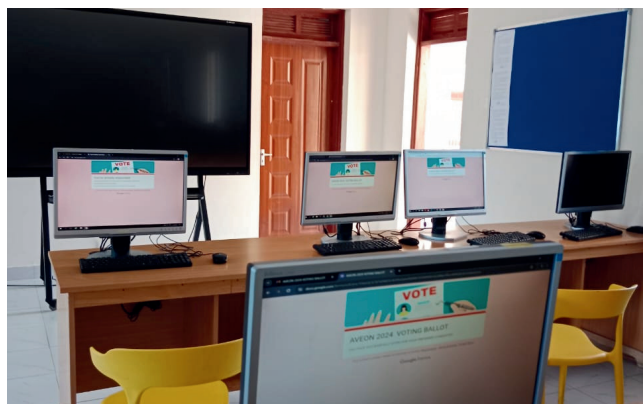

In May 2024, Aveon Schools witnessed a significant milestone in the development of student leadership as we successfully elected our student leaders through a transparent, accountable, and verifiable electronic process. This election process not only ensured fairness and inclusivity but also introduced our students to modern, digital methods of leadership selection.

By embracing technology, we were able to provide a seamless, engaging, and secure way for students to express their voices and choose their leaders. This initiative is part of our broader commitment to nurturing leadership in our students and empowering them to take charge of their school community in a responsible, ethical, and forward-thinking manner.

At Aveon Schools, we firmly believe in the power of practical application when it comes to leadership education. The election process and the responsibilities that follow offer our students a real opportunity to apply the theoretical concepts and leadership styles they learn in the classroom to both formal and informal situations.

Whether structured or unstructured, these experiences challenge students to engage with leadership in a variety of settings, helping them develop critical thinking, problem-solving, and interpersonal skills. Leadership development is not simply about understanding the theory; it is about actively learning, doing, reflecting, and experimenting with different leadership styles. This combination of learning and hands-on practice prepares our students to take on increasing levels of responsibility, both within the school and in their future endeavors. Through this continuous cycle of application and reflection, we aim to cultivate the next generation of confident, capable, and compassionate leaders who are ready to make a positive impact in the world.

We also had our students council retreat at Coral beach hotel in Diani. They were inducted on their roles as student leaders, had team building activities and a sumptuous meal at the shores of the famous Diani beach

# AVEON SCHOOL BUS

Aveon School's bus service plays a vital role in supporting our day scholars and the school community, ensuring safe and reliable transportation to and from school, as well as to external academic and co-curricular events. We prioritize the safety and well-being of our students, and having a dedicated school bus service provides parents with peace of mind, knowing their children are secure while traveling, as opposed to relying on public transport. Additionally, the school bus fosters a sense of camaraderie and strengthens bonds among students as they travel together, providing valuable time for social interaction and building friendships. This sense of community extends beyond the classroom, contributing to a positive and cohesive school experience for all.

## *Aveon Schools Crowned number one during The 5th Wavumbuzi Entrepreneurship Challenge!*

Our school made a remarkable impact in the Wavumbuzi Entrepreneurship Challenge Kenya, Edition #5, where we emerged as the Best School in Kwale County! This success is the culmination of an incredible journey in the Wavumbuzi Program, which ran for six weeks last term, helping our learners build essential entrepreneurial skills. From identifying business opportunities to exploring the role of AI in business, creativity, and financial literacy, our students gained invaluable insights.

Our outstanding performance saw us proudly securing the top spot in Kwale County and ranking 53rd nationally out of 803 schools. Special shout-out to Yohanns Mwaniki, who ranked among the top 2,000 learners nationally! Two of our exceptional learners and two teachers were selected for a special recognition at the Wavumbuzi Awards Ceremony in Nairobi, which took place on Thursday, 28th November 2024. They, along with our dedicated teacher who was named the Wavumbuzi Teacher Champion, were honored to receive medals, laptops, trophies, and a mentorship opportunity.

In addition to our academic excellence, our state-of-the-art boarding facility provides a comfortable and conducive environment for our students to thrive, further enhancing their educational journey. We are immensely proud of our learners, and grateful to our teacher patrons for their guidance. This is just the beginning, and we look forward to even greater success in the next edition of the program in 2025!
